A player can score a maximum of (50+46+43+41+39+38) = 257 points in a race.

The NASCAR season has 36 races from February 14 to November 21, 2010.

Popular contest packages are breaking the schedule up into 12 race segments

Segment I: February 14 to May 16

Segment II May 30 to August 21

Segment III September 5 to November 21

Good Morning;

46 named drivers are on the lineup sheet and two numbers, 47 & 48, are wild card numbers for any driver(s) not on the 46 driver list.

As an example, the numbers 47 and 48 may come in to play when the raod courses are run and the teams substitute professional road course drivers such as Brian Simo and Ron Fellows.
